OFFICE OF LEGISLATIVE COUNSEL

Friday - 23 May 1969

1. (Unclassified - LLM) Mr. Charles Lombard, Professional Staff Member, Senate Republican Policy Committee, called to request our assistance in helping them compile a short unclassified glossary of terms relating to ABM, such as those used in a comprehensive story in Newsweek or Time. He said this glossary, which is being prepared for use of the membership, would be needed by Tuesday. Through the cooperation of several Agency offices we are attempting to locate a suitable glossary that has already been published by the press.

2. (Internal Use Only - LLM) Called David Muchow, BOB, to learn if there were any substantive changes in the Foreign Military Sales Act other than those appearing in the material sent to the Agency for comment and learned there were not.

3. (Confidential - JMM) Stopped by the office of Russ Blandford, House Armed Services Committee staff, to ask if he had any last minute suggestions for our upcoming (27 May) briefing of the Agency Subcommittee beyond what he had already explained to General Cushman. Blandford said he had nothing to add. I asked if he thought there were any problems we should talk about in terms of our liaison or whether he wanted to be briefed on any current items. He said he was quite satisfied with the liaison situation and felt he was adequately briefed as a result of [] regular visits. 25X1A
